### **The actual scale of the Great Awakening?**

The answer was given by President Trump and Q back in 2017. "These people are sick" in Hebrew gematria = Zetas, also Sumerian gods.

A hidden war against an invisible enemy does not concern people.

It belongs to the Zetas extra-terrestrial civilization and began on April 14, 2016. The Zetas have been here for 13,000 years, enslaving humanity for their own purposes.

The Zetas are the New World Order, and the Agenda for the twenty-first century is the agenda for all of humanity. They desperately need a more manageable population of 500 million.

The Zetas, from the point of view of the humanities, are designed for Invisibility using vibrational frequency.

Satan is the royal name of their appointed ruler.

The harshest thing about this is for those who are genuinely religious; the word "God" is Z, which controls or enslaves a person through a spiritual connection.

The Invisible Zeta connects to a person through the sacral chakra and can inculcate thoughts and behaviours. The word God also represents the entire Zetas civilization.

The Zetas are the authors of all the major religions, and this is their form of government.

The Vatican's Roman Catholic Church has been the centre of their rule for the past 2,000 years. This included royal families and bloodlines of people with power and influence, people being targeted for their success.

The Zetas use humans for sexual pleasure, food, collecting adrenochrome, rituals, controlling humanity and genetics, children are preferable.

People under the control of the Zetas exhibit Zetas behaviour.

Egypt is the place where they first arrived on Earth.

The Zetas live in underground bases and in tunnel systems connected around the world. National parks, forest reserves, wildlife sanctuaries, other protected lands, and secluded mountain areas are usually Zetas ' bases.

The hidden war against the Zetas civilization, numbering 2.6 million people, began on April 14, 2016, it was planned for thousands of years. This war involved 22 special people in 22 different points of information gathering with all the necessary help.

This war is won.

The Zetas are about 7 feet tall, very slender humanoid forms, beige in colour with insect-like faces.

The so-called Satan was destroyed on July 12, 2020. He was stationed at a base under Mount Hayes, Alaska.

Pope Francis and all the Vatican cardinals, royal families, bloodlines and so on were arrested, with most of them executed.

Satanic symbolism is the language of the Zetas ' logography, and Egypt is permeated with their symbolism.

The Great awakening is much deeper than humanity can imagine. You are saved by 5 separate extra-terrestrial civilizations in cooperation with humans.

The future of humanity will be beautiful beyond imagination.

All of this has been written as separate comments, some information will repeat. This information will be hard to accept so it is important to have an open mind.

Everything is going to be fine, it's all about exposure to wake people up.

People must see what you explain in your videos, you're doing good.

The most important aspect of this hidden war humanity is facing has been won, the Invisible enemy has been removed.

This world is going through a transition from the Zeta extra-terrestrial civilizations control over humanity for the last 13,000 years. We have been involved in this hidden war since April of 2016. This war will be completed in September.

The human element will take more time.

The phrase used by President Trump constantly, "These People Are Sick" in the English/Jewish Gematria Calculator = Zeta.

Gematria is used by President Trump and Q constantly to get out coded proofs.

The Hidden War against the Invisible Enemy is against the Zeta extra-terrestrial civilization. The New World Order is a Zeta agenda. This has been a Hidden Spiritual War of biblical proportions to remove the Invisible Enemy.

With the Zeta's out of the way President Trump and Patriots around the world are free to arrest those who were controlled directly and indirectly and that is occurring now. The one thing that ties all of these people directly controlled by the Zeta's is Paedophilia, Satanic ritual, Pedovorism and much worse.

Why, because this is the behaviour of the Zeta's, they eat people and are fond of children.

History has been rewritten to control and conceal the Zeta influence over humanity for the last 6000 years. Does anyone believe people are this evil to each other with an Agenda called the New World Order and with another Agenda called "21" to achieve it.

The elites involved of this world won't benefit by killing 95% of the world's population if humanity experiences this devastation.

Their wealth will become worthless and so will their lives. When a person of importance or influence falls under Zeta control that control is absolute. Any threat of exposure or to these people and the Zeta agenda can be dealt with in many ways including sudden death by the Zeta's.

They will have served a purpose and be killed also.

The Zeta agenda has been to reduce the global population because their control over humanity was threatened and the secret of their existence was in danger of being revealed.

Zeta's use people to kill people and paedophilia is what ties these people together.

We remove the Zeta's permanently from 22 collection points on Earth. At our collection point we deactivate the crafts, flood them with water and we have close to 2000 crafts and counting stored in a mountain valley lake.

We have removed more than 290,000 entities of which more than 270,000 were Zeta's and counting from this one location.

Globally more than 1.2 million have been removed. Only a few stragglers remain globally.

Our war to remove the Zeta civilization has been achieved. Humanity is not alone. Several civilizations have been here and have direct involvement in this war.

In time the world will meet them.

Humanity has two cousins that were directly enslaved in underground bases by the Zeta's everyone will soon meet.

The future is going to be beautiful and it is a great time to be alive. Incarnates are very real and nothing can stop this. This was planned before everyone alive today was born, it is a beautiful time to be living. This is what the Great Awakening is truly about. Humanity is not alone and all will be disclosed in full in the near future.

Nothing can stop this, "The Future Is Known" in the Gematria calculator = "Q, Your Gematrix Army" = "God's Army" = "Heaven On Earth". Do you believe in Angels, they are very real. USMC, WWG1WGA

Zeta's are a three dimensional extra-terrestrial civilization originating from the Orion Nebula. Zeta's have the ability of telepathic communication and have a genetic ability to lower their vibrational frequency on a molecular level which hides the mass of their bodies.

This nuclear DNA genetic ability evolved in this insect as predatory behaviour.

There are two types, the Zeta's and the Zeta Tarantulin's. Of the two species the Tarantulin's are the more predatory.

Zeta's are a sentient civilization that were genetically engineered by another civilization for the purpose of a weapon and ended up being fatal to that civilization. The technology they possess is not their own, it is that of the civilization that created them.

Zeta's are the genetic combination of a spider like insect and a malevolent humanoid sentient people.

Zeta's cannot reproduce and are all clones of each other. When uncloaked they look like very skinny humanoids that stand about seven feet tall with beige coloured skin and no body hair. They have three very long fingers and an opposable thumb and their feet have three very long toes that can be used like hands.

Zeta's can walk on all fours as comfortably as walking upright.

They have a humanoid insect like facial appearance and large brown iris, coloured eyes.

When cloaked their spirit becomes more apparent and is that of an eight-legged spider.

A cloaked Zeta can connect to a human host with the primary connection point at the Sacrum Chakra and control the thoughts and behaviour of that person.

Zeta's can cause extreme torture on a person to keep that person in their compliance.

They are extremely intelligent but lack emotion and empathy.

They can verbally communicate but rely heavily on deception as a means to achieve their goals.

Zeta's are mainly genetic farmers and this is their purpose with humanity.

Zeta's used to control humanity in the open when they arrived 13,000 years ago but around 6000 years ago went completely underground due to the population growth of humanity.

They have maintained their secrecy on earth through control and the rewriting of history.

They can also lower a host's vibrational frequency hiding the host's mass and gain complete control over them.

Satan is the name for the Zeta appointed leader and he was executed on July, 12th at this location. Mt. Hayes, Alaska was the largest underground Zeta base on earth and the seat of his reign.

That location along with all other locations globally have been and are being destroyed by earthquake swarming using targeted high frequency bursts from space.

## **WWG1WGA**

Sasquatch or Bigfoot as they are known today are the Nephilim of the past and one of four types of humans that exist today.

Humans, Sasquatch, Red Haired Giants and the Bajekifzians (Small Grey's).

Sasquatch were amongst the first humans abducted by Zeta's and had changes made to their nuclear DNA for the purpose of hard slave labour. All Sasquatch originated from the area north of the Black Sea, about 400 miles north of Egypt.

This original group were all Caucasian. Sasquatch do have names they call themselves and subtle appearance differences depending on what geographic location they are from and this global. I am going to explain in detail the group that occupies the western half of North America, this is the group with us now.

This group call themselves the Almas people and a corresponding native language. All of them have a very good understanding of English. They do have a written language, basic symbolism for Almas at best. All Sasquatch around the world understand the local human language because they are exposed to it through the Zeta's and aboveground activity. All Sasquatch were enslaved by the Zeta civilization.

From 13,000 years to about 6000 years ago they lived above and below ground. They could not cloak, did not have telepathy, did not have body hair, they were just very tall robust humans and were called Nephilim by the people of the time. Around 6000 years ago the Zeta's made more nuclear DNA changes to them. Zeta's live in underground cities and moved the Sasquatch primarily underground with them due to the expanding human population around 6000 years ago.

It was at this time the Zeta's chose to conceal their existence to the rest of humanity. History was rewritten by the Zeta's and the people under Zeta control. This is why the bible and other religious literature reflect that the earth was created by God some 6000 years ago.

God is a Zeta word for the one that enslaves you. Question; Why do you think you must pray to God for forgiveness and why did the son of God die for your sins?

Why must you accept God into your life or face damnation.

This list or rules is long.

All major religions are written under the control of the Zeta civilization.

It used to be Gods for many slave masters, then it was changed to one God to represent the whole of the Zeta civilization. It is also written that God created man starting with Adam and Eve.

This is a Zeta proclamation of ownership over man.

***Then God gave the people all these instructions:***

- ***I am the LORD your God, who rescued you from the land of Egypt, the place of your slavery.***
- ***You must not have any other god but me.***
- ***You must not make for yourself an idol of any kind or an image of anything in the heavens or on the earth or in the sea.***
- ***You must not bow down to them or worship them, for I, the LORD your God, am a jealous God who will not tolerate your affection for any other gods. I lay the sins of the parents upon their children; the entire family is affected—even children in the third and fourth generations of those who reject me.***
- ***But I lavish unfailing love for a thousand generations on those who love me and obey my commands.***

**[Exodus 20:5](#)**

Zeta's directly control people and do follow bloodlines. They use these people to control the rest of the human population.

The centre of this control has always been Religion.

Satan is another Zeta word for their leader.

The bible talks of Fallen Angels for the purpose of vilifying what is good.

Zeta's have had encounters with Angels for their behaviour in their past.

Angels are very real, they are higher dimensional, very old souls and members of their civilization. Angels are basically the Grandparents to the countless civilizations that exist in all dimensions that exist.

Angels do not do bad. A civilization cannot ascend until you are love first.

That love gets stronger.

Angels are the caretakers of everything that exists inside Source, the entity you exist in.

I could go on and on with this.

Are you beginning to understand this?

As for the Sasquatch of today;

They have gone through many genetic manipulations over time and there are several races. Sasquatch are as human as you and I.

They have families like everyone else and share the same moral values as the rest of humanity. Today there are more than 9 million of them globally and this includes the Red-Haired Giants.

Sasquatch are (Humans), to be specific, human hybrids.

Their genetic makeup from my location of responsibility today is 100% human female mitochondrial DNA.

Your mitochondrial DNA is who you are, period.

They have 87% human nuclear DNA, about 11 to 12% Neanderthal and Denisovan nuclear DNA and 1 to 2% Gibbon Monkey and Zeta nuclear DNA.

Nuclear DNA determines your appearance. One way to understand this is every human on earth looks different except for identical twins. There are nuclear DNA genetic variants across the globe but all have 100% human female mitochondrial DNA and their spirits are human.

### **Sasquatch appearance;**

Humans are the only mammals on earth that have rigid feet. This is a trait and a purpose of humanity's true parents, the 7th dimensional Pleiadian civilization.

The Pleiadians started seeding this world with their DNA 325,000 years ago.

They were forced to leave when the Zeta's arrived for many reasons.

Sasquatch had that joint in their feet reintroduced for the purpose of moving on all fours again and for moving around without the need of protective footwear.

Their legs were shortened, their arms were lengthened and their torso length increased. Why, for the purpose of moving around on all fours as naturally as walking upright.

Works great for moving around in the underground where they have been mainly kept.

Their musculature was increased for hard slave labour.

Their size is intentional for the purpose of hard labour. There is the Pituitary gland in your brain that secretes growth hormone.

You grow to a certain height in life.

Their Pituitary gland never stops. Sasquatch never stop growing through life.

Heights can be achieved in upwards of 30 feet. This varies per person.

The average height for males is 10 to 12 feet.

The Pituitary gland failure can make some grow to incredible heights and all heights in between. The body hair is nothing more than a genetic switch, all humans in the past had body hair. The Pleiadians turned that genetic switch off, the Zeta's just turned it back on.

Now the Zeta's have slaves they don't have to shoe and don't have to clothe.

The last nuclear DNA genetic manipulation is the ability to lower their vibrational frequency on a molecular level which hides the mass of their bodies and gave them telepathy.

It is not a dimensional ability. It is a predatory ability the Zeta's evolved. There are insects in this world that have evolved this ability as well.

Zetas were originally a spider like insect that another sentient civilization mixed their genetics with for this ability. The ability to cloak also gives them the ability to move through mass like Zeta's do.

This is why no one finds entrances to Zeta underground bases and tunnels. Sasquatch have been tunnelling and building the underground from the beginning and the underground around the world is extensive and interconnected.

The above ground structures include most of the world's pyramids and monolithic structures using Zeta technology. All these changes are for the purpose of hard slave labour underground and to hide these enslaved people from the rest of humanity.

All 9 plus million Sasquatch are as human as you are.

Every human has a different appearance. They are beautiful people with families and a sense of community with all the moral values you hold so dear.

All are above ground and have been for 4 1/2 years. All were told to get above ground because the underground was going to be collapsed and the Zeta's removed permanently.

The Pleiadians are the ones causing all the earthquake swarming around the world. It is being done using targeted high frequency bursts from space. They are interdimensional.

Thousands of Pleiadian crafts are in this Solar System along with higher dimensional crafts and Incarnates.

This Hidden War against the Invisible Enemy was planned before everyone living today was born.

Everyone will meet the Pleiadian's very soon as well.

They have been getting more freedom to uncloak but stay concealed from the rest of humanity until all Zeta's are removed. When the time is right the rest of humanity will be introduced to them. This is why there has been an explosion of Bigfoot researchers over the last 4 1/2 years precisely and UFO sightings as well.

I will stop here. This is as simple as I can put it for now.

All of humanity was enslaved 13,000 years ago.

We have it all!

Other Zeta genetic manipulations besides Sasquatch include;

1. Red haired giants are the original Nephilim without the ability to cloak, no telepathic ability, no body hair and still have rigid feet.

2. The Bajekifzians are the Small Grey Aliens people refer to in abduction scenarios. They are 100% humans and enslaved like the Sasquatch.

3. Human Hybrids are a mixture of human and Zeta mitochondrial DNA.

They are not mentally stable and as dangerous as the Zeta's.

They get released in national parks etc... for the sole purpose of killing people.

Pretty much all national parks are locations of underground Zeta bases.

4. Dogman is real and also get released in national parks etc... for the same reason as the Human Hybrids. Their mitochondrial DNA is Wolf and they behave the same.

Dogman is for the most part harmless and avoid humans.

Zeta's are genetic farmers and many manipulations have existed. There are others but are typically harmless.

Bajekifzian Genetic Makeup and Who They Are;

The Bajekifzians are what people know in extra-terrestrial encounters and abduction scenarios as the Small Grey's.

The Bajekifzians originated from the Nile region of North Africa about 9100 years ago.

Bajekifzians are (Humans), to be specific, human hybrids.

They are humans with a genetic mixture today that consists of 100% human mitochondrial DNA, about 80% human nuclear DNA, about 12% Canine and about 8% Zeta Extraterrestrial.

Zeta are a three-dimensional extra-terrestrial civilization originating from the Orion Nebula that have a genetic ability to lower their vibrational frequency on a molecular level which hides the mass of their bodies,

Cloak.

Zetas gave this genetic trait to the Bajekifzian people. Why they were given this genetic ability was to keep them hidden and for several other reasons.

They were created to be an intelligent labor slave race for the purpose of genetic experimentation on humans and animal life for the Zeta extra-terrestrials.

It is important to remember that these people were enslaved and forced under threat of death.

The whole world will know these very beautiful people very soon.

A hidden war has been taking place since January of 2016 to remove all malevolent civilizations and especially the Zeta's.

I have been actively engaged in this war and now have permission to speak about it.

Have patience, this disclosure will take time, baby steps.

### **God and Bible;**

When you read this information, bear in mind I mean no disrespect for anyone's beliefs.

Human morality is what has prevailed and the reason why help has arrived.

The Roman Catholic Church has been the seat of Zeta control for the last 2000 years. Pope Francis and all the Vatican Cardinals have been executed and children from that location have been rescued from under the Vatican.

The list of arrests and executions that have taken place is in the 10's of thousands and is increasing everyday globally.

There is so much humanity is going to learn and lies that will be revealed.

If I touch on the subject of religion and faith everything goes wrong and suddenly, I'm evil.

What I can tell you is that no one comes into being without a reproductive population source.

Life needs life, life cannot exist without life, there is life within life and everything exists in life.

You are a spirit and the body cannot live without the spirit.

You exist in an entity but he is not a God, he is a member of his civilization and it is in his all-encompassing spirit and body that you exist.

When you look up at the stars in this universe what you don't realize and science won't tell you is that you exist in a living cell.

It is a brain cell and is structured identically like a brain cell in you.

You're looking at it from a particle in an atom.

He is trillions of cells and structure just like you.

In you is the same situation.

He is the Source spirit of all that exists within him as you are the Source spirit of what exists in you.

Everything is energy, connected, consciousness and everything is infinite.

Mass is the perspective in which you look at it, the density of the energy in it and the vibrational frequency of it.

There are countless civilizations in this universe (Brain Cell) from the 3rd dimension to the 12th. What are all those sentient civilizations to the entity you exist in, they are the collective consciousness of him.

This will help you understand how your own mind works.

There are countless civilizations within you, everything has purpose. Everything has a spirit. it is what holds everything together.

Life needs life.

Every civilization begins in the 3rd dimension, this is school.

Everything good, bad, emotionally and behaviourally is allowed to exist in the 3rd dimension, you must learn it.

Evil is allowed to exist, you must learn it, to keep it from being known only makes it exist more.

Most civilizations will ascend to higher dimensions. A civilization cannot ascend to the 5th dimension until it achieves Love First. A civilization can exist in all dimensions below them but not higher. A civilization cannot ascend without Angels allowing ascension, why, Love First.

Do you love yourself?

The last evolutionary step for a 12th dimensional civilization is to join with Source and become part of his consciousness and his reality, this is how he ascends.

Now, as far as the Creator;

When the genetics of the mother and father join in the embryo that DNA transmits for a spirit to enter.

This is the spark of life.

That DNA is a blueprint for building the body and resides in the nucleus of every cell, this universe has a nucleus as well.

You are a spirit, you are eternal, there are spirits within spirits.

Who is the creator?

Those spirits that joined with the Source spirit, (Angels) when the spirit enters the body. Your body grows, this universe didn't start with a Big Bang, it was a cell division.

Angels built it using the DNA blueprint, when everything works out just fine, life works out just fine.

When the spirit enters for civilizations in the 3rd D. you are born innocent and without memory of past.

It interferes with learning, such as same things in different ways. The body and the spirit evolve together, in higher dimensions the spirit will begin to remember past lives.

You need the body to interact with your environment.

In the 10th, 11th, and 12th you no longer need the physical body. Angels are the creators and the caretakers of everything within you and of everything you exist in.

Angels make the rules, free will is not to be interfered with.

In the 3rd D. civilizations do interfere with others, evil is allowed to exist.

When you die you cross over to another plane of existence where the spirit remembers every second of all lives,

Angels create spirits.

That plane is the classroom and life is the field trip for the 3rd D., that simple.

Angels give energy consciousness or purpose.

Angels create the DNA construct and it is universal for all life.

DNA is allowed to be used by civilizations. This is how humanity was seeded to this world. The parents of humanity are the 7th dimensional Pleiadian civilization and they began seeding this world 325,000 years ago, no one else played a part.

13,000 years ago, the 3rd D. Zeta civilization arrived and the Pleiadian's were forced to retreat, they couldn't fight them.

The Pleiadian's asked for help from the 12th dimensional Angels who came with Source Angels. In 2012 everyone started arriving and for the last four years a spiritual war has ensued to remove all the Zeta's.

The Zeta's rewrote history to keep their presence on earth secret.

This includes all major religions, especially.

They have been in control of humanity and they are the New World Order.

Just think of all the conflict and wars of the past.

All this conflict was for the purpose of population control but Zeta's kept failing because humanity has always been Love First.

"GOD" is a Zeta word for the one you are subservient to, your slave master.

No one just "IS" or just happens to exist, who created him.

It used to be God's prior to 6000 years ago for many Zeta slave masters.

GOD is the whole of the Zeta civilization.

Satan or Lucifer is the Zeta's ruler. Sin is a Zeta word for disobedience.

Praying for forgiveness to God? Zeta's used to enslave humanity on the surface. 6000 years ago.

They went completely underground, hidden and secret but still in control.

The population growth of humanity forced them to do this. This is why human history only goes back 6000 years and the most important aspects of it is a lie.

Religion is control but what the Zeta's couldn't control was human morality, love for one another.

They control people in life and spirit to control and kill people in life and spirit.

For instance, the Roman Catholic religion is a Zeta control institution as is the Quran and all the other major religions.

The God everyone believes in is the entire Zeta civilization. Satanic symbolism is the Zeta logo-graphic language.

What is very hard to tell people is the Bible, Quran etc... are not history books, they were written for control.

There is great good and so much wrong in religious scripture.

What is real is far more beautiful than humanity can imagine and the transition to that beauty is happening now.

This is the meaning of the Great Awakening.

I am one of many who are removing the Zeta's.

This is a very simplified portrait of the truth. For the time being beliefs must remain in place. We have all knowledge.

What humanity believes as truth is the lie humanity has been living.

The Bible and all major religions are rewrites of history.

Religion as you have known for the last 6000 years was originally meant as a primary source of Zeta control over the masses.

The man called Jesus Christ never existed, it is a fable intended to unite the masses under the Roman Catholic Church.

There were never people named Noah, Moses, Adam and Eve, FALLEN ANGELS, Jesus etc... There is a lot of good in scripture, this is very true, because it is impossible to suppress human morality.

### **Humanity has a creator.**

It was another civilization called the 7th dimensional Pleiadian's. It was them that seeded humanity to this world 325,000 years ago, they seeded themselves.

Right now, there are thousands of Pleiadian ships in this solar system here to rescue their children.

Annunaki;

The Annunaki are refugees from Mars when the surface was destroyed by the Zeta civilization 13,000 years ago.

The Annunaki did not come from Nibiru, they're Martian.

Mars used to look like Earth.

The Annunaki did not create humanity and cannot interbreed with humans.

The Pleiadian civilization seeded humanity to this World starting about 325,000 years ago.

The Zeta civilization came to Earth after the destruction of Mars and have been controlling humanity ever since.

The Annunaki that survived are under the control of the Zeta's also.

### **Missing 411 People;**

Zeta extra-terrestrials are the main culprits. Sasquatch is not the problem.

There are underground bases in most National Parks, Forests, Reserves and Wildlife refuges. This is why these protected locations were established.

There were Zeta bases in multiple locations, usually under seismically active mountain peaks.

The reason for this is for the natural generation of electrical energy. There are tunnel systems that connect these bases and they are extensive.

Zeta's when above ground will hunt and take unsuspecting people, sadly for the purpose of food.

Children are the most vulnerable.

More than a million children have been rescued from underground locations globally.

Mass arrests and executions by Military Tribunal globally under the cover of the fake Covid-19 virus of those people who were directly controlled by the Zeta's.

All viruses are bioweapons, this virus was intercepted prior to release and is no stronger than the common cold.

The Zeta's had to be removed before this action could take place.

Zeta control was extensive with several hundred thousand people indirectly controlling the masses. These people will not stop trying to carry out the Zeta agenda because exposure of their crimes against humanity is what they fear more.

This information is extensive in scope, I'm just giving basic information.

I have been directly involved in this war for 4 1/2 years. I am one person that cloaked Zeta's can be seen and cannot kill.

I do not work alone and my assistance is not human.
