

NESARA/GESARA, Quantum Financial System, White Hat Intel:

- The National Economic Security and Reformation Act (NESARA) was passed by the United States Congress on March 9, 2000 and then sent to President Bill Clinton for his signature.
- Under duress by the US Military, President Clinton signed NESARA into law on October 10, 2000, and it was to be announced (enacted) the morning of Sept. 11th, 2001 (Remember what happened on that date at the Twin Towers in New York City?).
- **At that point NESARA, as with any legislation so acted upon, became a “law of the land”, but wait a minute!** No one wanted to enforce it. Why? No one wanted to enforce NESARA because this law required the physical and permanent removal from their government positions of all those, who were treasonous. Those, who had deliberately acted outside the Constitution of the Republic, had committed treason. Those who were treasonous included the United States president and vice president, the presidential cabinet, all members of Congress, various government departmental heads, all fifty governors of the fifty states, judges and others.
- **To hide NESARA from public view and, thus, to prevent its enforcement by popular demand, the United States Supreme Court placed a gag order on all public officials,** the United States military, law enforcement personnel, bankers, attorneys, judges, the media and anyone else, who knew about NESARA and, who might give information about NESARA to the public. If the people learned the Truth about NESARA, they would demand its enforcement. This could not be allowed.
- **Now NESARA has merged with GESARA:** The new Quantum Financial System is part of GESARA Law.
- **Implementation of GESARA and NESARA is imminent.**
- **No Poverty, No Hunger, No Debt, Only Global Prosperity and Peace for ALL!**
- **The announcement of GESARA** will now affect the Republic along with the rest of the world amounting to a total of 206 sovereign nations.
- **Because a huge aspect of GESARA is the elimination of the national debt** of every nation on earth, taxes will be adjusted to be lower for citizens and corporations. Only a flat sales tax of about 15% on new items will be applied.
- **The pyramid structure of the global elite, including most governments, and corporations, has become dysfunctional.** It created class separation and fostered the belief in dearth.
- **Part of spiritual evolution is born** when one's identity is no longer attached to material matters. When there is free energy, transportation and replicators distributed to everyone, we will become equal. No one will be enslaved, people will just do what they want to do, have free time, time to reflect and be creative. No need to hoard anything.
- **Advanced civilizations don't wonder where their next meal** is going to come from, how they are going to pay for their rent, how they are going to get from A to B.
- **The dark Cabal has had time enough to change gracefully,** but they have failed dismally.
- **People will live in the moment of now, i.e. growing their own food, and also food for others.** These activities don't need belief systems, they are spontaneous. Many people are actually going to enjoy their jobs as they experience it gives them meaning and purpose, another way to serve. Those that don't hold jobs will find alternative ways to experience happiness and contribute to the common good.

- **However, fundamentally, real change lies in a shift of your consciousness** and thinking. As the time approaches for a great change in our society, it is time to transform pain and suffering from past experiences into joy, peace and prosperity! A new day is dawning that will bring in a caring and respectful epoch for humanity!
- **As you grow in consciousness, respect for each other takes on a new, expanded meaning.** Respect is not for personal gain. It is your sovereign right. Unity consciousness honors and holds every soul in high esteem at all times. Respect will transform society and push it blessedly toward a new outcome. Respect for every individual will be the norm. It is the lynchpin for our new and transforming society, based on Unity consciousness.
- **GESARA is an acronym for Global Economic Stabilization and Recovery Act or Global Economic Security and Reformation Act.** There is a ongoing dispute about what the true name is, according to the information I read. It is the most ground breaking reformation act to sweep the planet to restore worldwide prosperity, peace, and a New Golden Age that works for everyone, and not just for a few elite.
- **GESARA was voted to be implemented by all 209 sovereign nations** of the world, per the signed 2015 Paris Agreement on Climate Change, starting with the restored Republic of the United States (known in the USA as NESARA – National Economic Security and Reformation Act or National Economic Stabilization and Recovery Act). In the United States, this single act does away with cancers like the Federal Reserve Bank, Internal Revenue Service (IRS) and USA, Inc. shadow government, plus so much more!
- **NESARA in the US cancels all credit card,** mortgage, and other bank debt due to illegal banking and government activities. Many refer to this as a “jubilee” or complete forgiveness of debt.
- **Abolishes Federal Income Taxes in the U.S. Creates a 17% flat rate** non-essential new items only sales tax revenue for the government. In other words, food and medicine will not be taxed, nor will used items such as old homes.
- **Abolishes the Internal Revenue Service (IRS),** with employees of the IRS will be transferred into the US Treasury national sales tax area.
- **Restores Constitutional Law to all courts** and legal matters in the Republic of the United States of America. Retrains all judges and attorneys in Constitutional Law.
- **Removes all dark Cabal agents and administration officials and all members of the U.S. Congress** from their positions due to their continuous unconstitutional actions.
- **The IMF will announce the “global gold-standard monetary system” once GESARA is announced.** All remaining fiat currencies will be cashed in for gold-standard currency.
- **Paper money will eventually be phased out** and all currencies will be digital under the new financial system.
- **The goal is to make the Transition Event simple,** smooth, and swift. The new financial system has been online for months and is hosted on a protected quantum server that cannot be hacked or accessed without permission.
- **Notably, the wealth proliferation aspect of GESARA** is actually very stabilizing. People who have new found wealth in extremis are far more likely to feel able to help their relatives, their close friends, their fellow citizens. They are more likely to engage in humanitarian efforts. This is wealth building.
- **The RV might see a shortage of qualified workers.** This is wealth building. But this then leads to higher wages and salaries. That will be reflected in prices, but this is counter-

balanced by a drop in taxes of, in some cases, up to 80% of the final product cost price. Which would result in deflation. As prices drop, savings increase for the worker and their family. This builds wealth.

- **Energy costs too are now an important component** of the cost mechanism for any product. Energy costs will also drop as a result of free-energy and new technologies.
- **The future will be unbelievable**, complete; our lives will evolve immensely
- **The Cabal is on the ropes** and some of the new – suppressed – technologies that are being released date back 70 years or more. Suppressed technology is ‘New’ to us, but in reality, it is very ‘Old’. Some go back millions of years.
- **For example; the purified waters of Antarctica** will be used to ‘turn the deserts green’ and ‘restore mineral life’ to all plants and living things. The future will be unbelievably complete with Cards for our own Personal Credit.
- **The application of ‘Replicators’ that can produce everything.** And surely most importantly, ‘a new awareness’ of the ‘power of our mind’ in order to ‘display’ our needs.
- **And soon also available ‘real health care’** to make people healthy instead of sick, to regrow limbs or organs, or to reduce our age by 30 years.
- **Money and banks are tools of the Cabal** to control us, with their debt-based economy which can never bring prosperity. – Consequently, paper money and banks will eventually disappear. Coinage will not.
- **The greatest short-term affect will be that the RV will create a large surge in consumers over time.** Corporations that responsibly produce things that people really need will see a huge surge in business and profits for many years to come. This is wealth-producing.
- **NESARA, White Hat Intel Part #2**
- **Establishes new Presidential and Congressional elections** within 120 days of GESARA’s announcement. Allows the new Republic of the U.S. to temporarily govern the country’s affairs until fair and legal elections can be held.
- **International Monitors will be present** to prevent illegal voter ballot stuffing or fraudulent election activities of special interest groups.
- **Eliminates all “states of emergency”** thus declaring peace for every land abiding by GESARA and it’s alliance.
- **Allows the new Republic to physically remove or eliminate any obstacle impeding GESARA law.**
- **Ceases all aggressive U.S. government military action worldwide.**
- **Forces the U.S. military to immediately remove troops** from all sovereign nations that no longer willingly accept them to reside on their soil (including Iraq, Syria, Afghanistan, Philippines, etc.).
- **Initiates new U.S. Treasury Bank System** in alignment with Constitutional Law.
- **Creates a new U.S. Treasury rainbow currency backed by gold**, silver, platinum, and precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
- **Eliminates the Federal Reserve System.** During the transition period, the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
- **Restores financial privacy.**

- **Establishes peace** throughout the world as monitored by the United Nations Security Council.
- **Releases unprecedented prosperity funds** in a “share the wealth redistribution program” for every individual on Earth as well as the release of enormous sums of money for humanitarian purposes across the planet. This means that every human being could become a multi-millionaire instantly without debt of any kind. This is in alignment with the Global Currency Reset & Revaluation.
- **Enable the release of over 6,000 patents** of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, anti-gravity, and sonic healing machines.
- **Eliminates all current and future nuclear** powered weaponry on Planet Earth.
- **Increases benefits** to senior citizens and children.
- **Reinstates the Original Title of Nobility** amendment.
- **Forbids the sale of American birth certificate** records as chattel property bonds by the U.S. Department of Transportation.
